About Us

An industrial tycoon, we, DIP Enterprise, have been excelling in the market since 2004. No other company come close to the level of perfection that we offer to clients in terms of our industrial array and customer services. Our focused efforts towards meeting the high expectations of clients have made us a highly trusted manufacturer and exporter of the domain. Worldwide, our name is considered among the leading dealers of uniquely designed Manual Sweeping Machines, Ride On Scrubber Driers, Industrial Vacuum Cleaners, Portable Dust Collectors, etc. All these equipment, machines, etc. are the pride of our enterprise, their high quality, sturdiness, durability and reliable design attract clients across the globe. The fine finish and affordable rates of this range also make us a trustworthy option in the pool of competitive companies. Our enterprise ethically performs each business activity in order to gain the trust and loyalty of clients. To earn the same, we work extremely hard without making a single mistake. We make delivery of only quality tested industrial products, all of them are delivered at right locations at right time.

We, DIP Enterprise, are a leading manufacturing unit of the global industrial sector. Our name is applauded by many experts of the domain for our ability to manufacture an assortment without a single error. Our high production capacity attracts a huge clientele from across the globe towards our business concern. From the prime industrial location of Vadodara (Gujarat, India), we meet all the demands of clients. Our offered Car Washers, Manual Sweeping Machines, Industrial Vacuum Cleaners, Portable Dust Collectors, etc. are quality tested prior to sale. Only the most reliable, robust and durable options are delivered to clients, defected pieces are sent back to the production team so that they can learn from their mistakes and improve the range in future.
